## Dear Molokai,

My Molokai experience started 39 years ago when I married Ralph and he worked for Molokai. Twenty-eight years later I came to work at Molokai, which was a salvation for me when the real estate industry hit bottom. Now three years back and we became owners in Molokai.

For many reasons I am retiring as of April 30, 2018, but not leaving the Co Op. I want to thank everyone, especially Murray for telling Ralph there was an opening. I retire with great pride of this community and those that work hard to keep it the community of choice. I look forward to working with in the Co Op and MRA.

Directors have come and gone, they each had a desire to do what they could/can for the best interest of the Molokai Co Op.

My last day is Oct 31, 2018.

Thank you all and God Bless,

*Drenda D Rozema*

## A Letter From the Management

August 2, 2018

Dear Residents:

This is to remind you that the park is on a septic system and only toilet paper should be put into the toilet. Today a pump was burned up; a rag was found tangled in the pump.

June 12, 2018 a pump was pulled and a rag was recovered before burning up that pump.

Jan 15, 2018, 2 pumps were burnt up with rags.

All of the pumps were on Kelou Court lift station. Each pump cost \$850.00. Please do not put flushable wipes, wash cloths or female products in the toilet.

Thank you

The Management
