Molokai Northern Directory

Reminder, final day to turn in the form for the Northern Directory is the last day of February. They are in a file folder at the bulletin board in the clubhouse. When completed, return them to the folder.

The Molokai Northern Directory has been a part of the park since 2003 as a way to keep in touch after the snowbirds leave. It is updated every year.

The directory shows name, local and other address, phone number(s) and email for any residents, including renters, who provide information. The directory should be ready in early March for those furnishing their information.

No one should be left out! Any questions contact Sue Clark or Bev Morrow.

Library News

Thanks to all the residents who donate books to the library – that's what keeps it going.

If there is something you think needs added or changed, please let me know and we'll work on it. It has been asked that we shelve all LARGE PRINT books in one place to make it easier to find all that we have. They will be located on the right side of the shelves below the hard-back novels; we hope to have all of them there by end of January. Large colored dots will be on the bindings of the books, showing LP.

Also, we will be accepting and shelving any books dealing with GRIEF – at one time or another we can all use those. They will also be shelved below the hard-back novels. The shelves will be clearly marked.
